Press Release
January 3, 2007

Pay Off Holiday Debt

(Royal Oak, MI - 01.03.07) Designed By You LLC will be at the Women's Expo at Universal Mall on Saturday, January 13th offering women a fun new career opportunity which requires no previous experience and the freedom to decide when they work and when they don't. Diana Schatzman, owner of Designed By You, will be at the Universal Mall' Women's Expo starting at 10:00 AM on Saturday, answering questions and showing women how they can begin making money and paying off their family's holiday debt right away. This opportunity is excellent for women returning to work after having or raising their children because it allows them to work in the evenings or on weekends while their spouse is at home or their babysitters are out of school and available. It's also well suited for young women who are tired of the 40 hour work week and know that there has to be an easier way to make money.

Designed By You is a unique jewelry design party that allows a hostess and her friends to design their own beautiful, high quality jewelry. Women throughout the Metro Detroit area and as far away as Bay City and Port Huron are spreading the word. It's **fun**.

The parties are a unique opportunity for women, and on Saturday, Diana will be scheduling parties for everyone interested in hosting a party. Be the first person in your group to bring this fun to all of your friends. Schedule a party and give your friends something fun to look forward to between the holidays and springtime's warmer weather.

Find out more about Designed By You at their website, www.dbyjewelry.com or call them at 248-544-6392.

There is no previous experience necessary to become an Independent Jewelry Design Consultant. The company fully trains each of their Consultants. If interested in a career that pays well, but does not take up 40 hours each week, please contact Diana Schatzman at Designed By You, or show up at the Universal Mall on Saturday and get started paying off your holiday debt this month.
